

Jefferson Lab USERS GROUP

The Users Group consists of more than 1,300 scientists, from more than 200 institutions, who pursue research at Jefferson Lab. Everyone pursuing research at Jefferson Lab (including theorists, postdocs and students) is a member of this group - INCLUDING YOU! Members of the Users Group Board of Directors are your advocates on all matters affecting the efficient conduct of research at Jefferson Lab. The board also works with management to improve your experience while on-site.
